My job here is done.
But you didn't do anything.

```
return <>
  <Container>
    <Main>
      <LoadingProvider>
        <Spacing>
          <Carousel />
          <SomeList />
          <Image />
        </Spacing>
      </LoadingProvider>
    </Main>
    <Sidebar />
  </Container>
  <Footer />
</>;
```
